

# ***NO SOUP FOR YOU !***

*Back at the homestead you are just about to dig into a big pot of hot homemade soup when you gaze outside to see Hans and Franz Seinfeld ride up. Riding with them is the sorriest excuse for a gang you have ever laid eyes on. Hans yells out "Hey you in thar, got enough soup for all of us hungry cowpokes?"*

*START: Seated at the dinner table with one hand on soup pot lid and the other on the ladle in the pot. When ready you say "No soup for you !"*

*BUZZER: Stay seated, place the ladle on the table top and the lid on the pot ( lid must stay on pot ).Grab the rifle from the table and through the large window shoot the five gang members with a Red Mtn. Sweep. Place the rifle back on the table top O&E. Stand up, draw your pistols and through the large window Red Mtn. Sweep the five cowboys. Re-holster those pistols and make your way to the hay bail out by the fence. Grab your shotgun from the hay bail and from behind the fence dispense the rest of the gang in any order ( all must fall ). Now place the shotgun on the hay bail O&E and draw one pistol. Reload two rounds only and finish of Hans & Franz for a 5 second bonus each.*

*NOTE: Red Mountain Sweep: Five targets staged in line (Left to right 1-2-3-4-5)  
Starting on the left most target shoot all five targets once ( 1-2-3-4-5)  
Then alternate on the two outside targets for 4 more shots ( 1-5-1-5)  
With your last shot shoot the center target ( 3 ) for a total of TEN shots*
