## Volunteer Call-Out

A BIG thank you and gold star to the volunteers who have stepped up but we need more. Here are some positions that need your expertise and enthusiasm:

### RANGE MAINTENANCE MARSHALL

You will be our go-to person to keep all the structures repaired, built and maintained. Also give us ideas on what we can add or improve.

### RANGE MAINTENANCE DEPUTIES

Matt had Festus and our Range Marshall needs great deputies to help with the construction work that needs doing.

### SOCIAL MEDIA MARKETING MARSHALL

You are a real communicator who can build our social media community and also bring in promotional ideas to increase our membership.

### SOCIAL MEDIA MARKETING DEPUTY

You are ready to support the Marshall with ideas and inspiration and take photos, write articles or posts and reach out to the community to promote our sport.

We can't pay you, but we will support you! And you will have the thanks of all of us.

### TARGET MARSHALL

Preacher Flynn T. Locke

You will be our go-to person to keep all targets repaired, built and maintained. Also give us ideas on new targets.

### TARGET DEPUTY

You will back-up the Target Marshall and help build, maintain and repair targets.

### SCOREKEEPING MARSHALL

You will organize the iPads and all scoring equipment and supplies and make sure that scorekeepers are assigned to every monthly match.

### SCOREKEEPING DEPUTY

You will back-up the Scorekeeping Marshall in all things related to scoring.

### WOMENS DAY AT THE RANGE - MAY 7

Positive and supportive mentors needed to give women a great introduction to cowboy action shooting.

## In The Wind

### Issues for Thoughtful Input

Cat and Goldie have chosen to use the bcc when sending out emails to the cowboys.

Reason #1: Privacy concerns around the visibility of email addresses without consent.

Reason #2: The use of "Reply All" can overwhelm an email inbox.

We understand it's important to build community and get a conversation going but is there a better way to do this?

These weren't in the 2022 budget but we're researching options and costs for these issues that came up in our Cowboy Survey:

- DRAINAGE in Bay 1
- LIGHTING - Cowboy Town
